

Military Road/41st Street/Reno Road Short-Term Recommendations

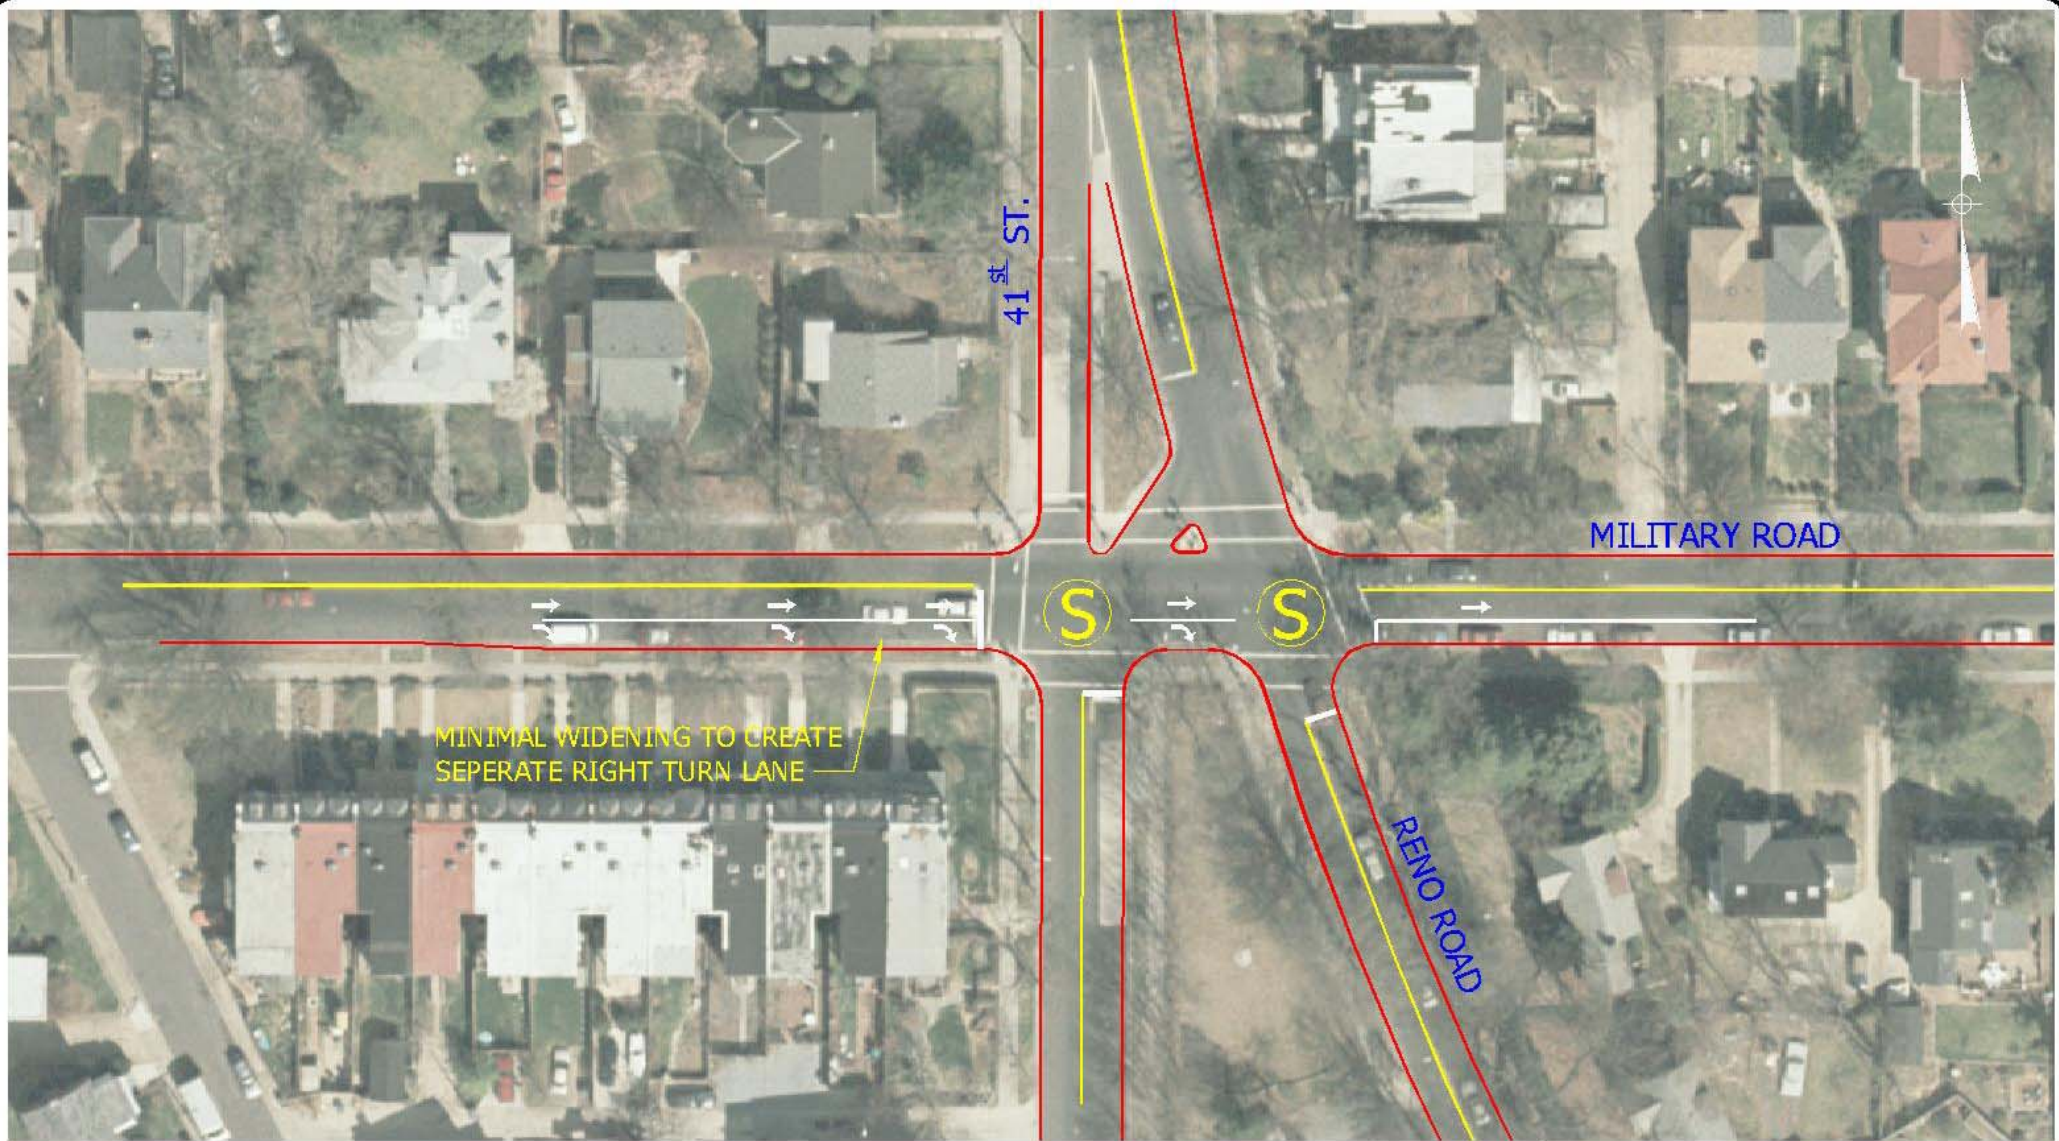

● Short-Term Improvement(s):

1. Reset timing of the existing signal phases.
2. Install vehicular detection equipment on all approaches.
3. Install a fully actuated traffic control system.
4. Improve intersection signage to remove confusion.
5. Install a red light camera system to assist in monitoring prohibited movements and red light running.

Military Road/41st Street/Reno Road Long-Term Recommendations

● Long-Term Improvement(s):

1. Reset Military Rd. EB curb line back 2 ft. to allow enough room for a 150 ft. long right-turn lane to be constructed. (Exhibit)
2. **ALTERNATIVE 1:** Close 41st Street. south of the intersection by placing a temporary double-faced Jersey Barrier across the southern section of 41st Street.
3. If ALTERNATIVE 1 is selected, replace the double-faced Jersey Barrier with a raised grassed panel or planter to make closure more permanent.
4. **ALTERNATIVE 2:** Make 41st St. one-way SB from Military to Jenifer St.
